Work-based Learning Coordinator

Ann Decker

Registrar

Mary Taylor

Profile 2009 - 2010

SCHOOL & COMMUNITY

Timpview High School is located in a northeast suburb of Provo, which lies in a mountainous valley in central Utah. Timpview is a Region 7, 4A School. It is a part of the Provo School District and is one of the three high schools in the district. Home of Brigham Young University, Provo is the state's third largest city of approximately 120,000 residents. Timpview includes many of the university's faculty and staff among its supportive patrons. Timpview also shares a reciprocal partnership with BYU and Utah Valley University, which benefits all three institutions' academic programs.

The community's ethnicity is predominantly middle-class Caucasian (about 73%), but the Hispanic population is growing rapidly, accounting for approximately seventeen percent of the residents. Pacific Islanders, Asians, and a small number of Afro-Americans make up the remaining minority population. Timpview's student body of approximately 1,850 students reflects about the same ethnic make-up as the community.

The average ACT score of 22.8 for Timpview students is one of the highest school averages in the state and nation. Student performance is evaluated on a 4.0 unweighted, grading scale.

Timpview has been on an 8 period block schedule since 2007-08. Timpview values a comprehensive education and offers a wide range of academic, vocational, technical, family science, and fine arts courses. College concurrent-enrollment credit is offered from UVU for numerous courses taught at Timpview.

Timpview enjoys an excellent reputation in the state for academics and extra-curricular programs. We offer more than 25 student clubs. A strong athletic program offers participation in ten competitive sports: baseball, basketball, football, golf, swimming, soccer, tennis, track, cross country, and volleyball. In the 2008-09 school year, Timpview won the "All Sports Award" for the 4A classification in Utah. They won state championships in the following sports: Football, Girls Swimming, Boys Tennis, Boys Track, and Boys Cross Country. In addition, students have the opportunity to participate in band, orchestra, choir, drama, and dance.

ACT TESTING
