

## Road Trip – Visit a Campus

Visiting a college or university campus is a great way to see if the school “fits” your needs. Take advantage of the opportunity to talk with the different areas of the school to ask about programs you are interested in and to see if there are scholarship opportunities for you.

Timpview will excuse the absence for a senior student to be able to visit a school campus. Pick up the pre-approval form from the attendance office and bring back something from the visit to show Mrs. Hutchings that you attended. Some campuses offer overnight opportunities and all schools will offer day tours. Sign up early as overnight space is limited. More detailed information is available on each school’s website.
