

Concurrent Enrollment(CE) is a Utah Valley University-High School partnership program. Qualified high school sophomores and freshmen can take college courses from their high school teachers or participate in Live Interactive(LI) courses taught by a UVU professor and broadcast at the high school. The following are requirements for sophomores and freshmen to participate early in the Concurrent Enrollment Program, which is primarily reserved for juniors and seniors. A successful candidate will meet the following indicators for success:

STUDENT

- Shows strong study skills in time management, preparing for and taking exams, researching and using information resources, taking class notes, and allocating sufficient time to complete tasks well.
- Uses critical thinking skills such as inquisitiveness, analysis, interpretation, problem solving, reasoning, and precision and accuracy. Monitors, evaluates, and directs own learning and takes personal responsibility for success in school.
- Student reads and agrees to the Student Financial Responsibility Agreement to pay applicable tuition for UVU courses. Concurrent Enrollment and Live Interactive courses taken through the high school are \$5 per credit. Terms to which you agree can be found at <https://www.uvu.edu/cashier/docs/sfra-02.pdf>

PARENT/GUARDIAN

- By writing a recommendation paragraph and signing the application, supports the student's early participation in the Concurrent Enrollment Program.
- Believes the student is capable of understanding college-level material and rigor.

SCHOOL COUNSELOR

- By signing the application, recommends the student for early concurrent enrollment and confirms that the student has good attendance, behaves well in the classroom, and is capable of understanding college-level material, producing quality assignments, and performing well on exams.

APPLICATION COMPLETION INSTRUCTIONS

This application must be completed and submitted **EACH SEMESTER** for the sophomore or freshman student to be registered, except in the case of full year concurrent enrollment courses. Once submitted and approved **the CE or LI office will register the student for courses**. Sophomores and freshmen have a hold placed on their student account preventing them from being able to register themselves in the UVU student portal. This hold will not be removed until the end of sophomore year.

Submit completed application to:

CONCURRENT ENROLLMENT

Email electronic copy to: concurrent@uvu.edu

800 West University Parkway • Orem, UT 84058
Phone (801) 863-8376

PLACEMENT EXAM REQUIREMENT

Concurrent Enrollment Exception Application 2018-2019

A placement exam is required for all high school sophomores and freshmen wanting to participate in the Concurrent Enrollment Program. The following exams are accepted:
ACT / ACT-R / Pre-ACT / EXPLORE / PLAN / ASPIRE / ACCUPLACER.

Please check with your counselor to find out if you have already taken an exam from the above list. If you have, attach a copy of your scores to your application. If you have not, you will need to take an ACCUPLACER exam. First, contact your school to see if they administer the ACCUPLACER. You can also take the exam at a UVU Testing Center.

ACCUPLACER EXAM

Test Score Submission

ACCUPLACER

Upon completion of exam, scores will be entered by the UVU Testing Center into the UVU student database. If you take the ACCUPLACER at your high school, it may take 1-3 weeks for your scores to be entered into the UVU system.

ACT/PLAN/EXPLORE/ASPIRE/ Pre-ACT/ ACT-R
Submit a copy of score sheet with exception application.

UVU Testing Services Location & Parking:

1165 West 800 South • Orem, Utah

The ACCUPLACER exam consists of three sections:
Reading Comprehension, Sentence Skills, and Math.

Students must take the entire ACCUPLACER exam.

The entire exam will cost \$10 for the first time if you have your UVID Number. Retakes cost \$10 per section. A school or government photo ID is required for testing. A student without a UVID will be charged \$50 to take the exam.

Please contact Testing Services for current hours and test availability
(801) 863-8269

Testing Services are also available at the
UVU Wasach Campus
3111 College Way
Heber City, Utah
Phone: (801) 863-6629
