

# THS CONCURRENT ENROLLMENT SPRING 2019

## Important Concurrent Enrollment Information

Students in a Timpview second semester Concurrent Enrollment (CE) class need to be aware that UVU Spring semester deadlines come quickly with little time in the new semester before the UVU admission period and registration closes. However, UVU Spring application and registration is now open. Second semester classes begin January 14<sup>th</sup>. Students should look at their THS schedules and plan NOW to be prepared in class before UVU deadlines listed below.

The table on the right contains a list of second semester high school classes being offered this school year with college credit and their UVU course registration numbers (CRNs).

Students wanting college credit need a UVID number to register. Log on to [www.uvu.edu/concurrent](http://www.uvu.edu/concurrent) to get started by following 1. Admission, Get Admitted to UVU. Create an account and complete the Spring 2019 "High School Concurrent Enrollment" application and pay the one-time \$35 admit fee. Your UVID will be available in 24-48 hours and can be found on MyUVU (if you currently participate in the CE program or have done so in the past this step has been done. **Tuition from previous registration must be paid before course registration in current semester is allowed**). Students then need to go online and register classes through the MyUVU student portal for the college course credit available through your second semester high school class.

### Freshman and Sophomores ACT NOW!!

Freshman and sophomores in a CE class can participate through completing ALL STEPS outlined on the "UVU Exception Application".

<https://www.uvu.edu/concurrent/docs/1819exceptionapplication.pdf>

Students without an EXPLORER, PLAN or ACT score MUST take the full UVU Accuplacer student assessment test. Assessment tests are \$10 and are handed out on a walk-in basis at the UVU Wolverine Testing Center. Students in \*CS 1400 must also meet the math prerequisite through the math portion of this exam.

For testing hours, call 801-863-8269 or visit [www.uvu.edu/testingservices](http://www.uvu.edu/testingservices)
