Profile 2019-2020

SCHOOL & COMMUNITY

Timpview High School is located in a northeast suburb of Provo, which lies in a mountainous valley in central Utah. Timpview is a Region 7, 5A School. It is a part of the Provo School District and is one of the three high schools in the district. Home of Brigham Young University, Provo is the state's third largest city with approximately 120,000 residents. Timpview includes many of the university's faculty and staff among its supportive patrons. Timpview also shares a reciprocal partnership with BYU and Utah Valley University, which benefits all three institutions' academic programs.

Timpview High School serves approximately 2,300 students in grades 9 through 12. Timpview's ethnic make-up is 69.3% Caucasian, 20.4% Latino, 5.4% Pacific Islander, 3.7% Asian, and 1.2% from other multicultural groups. The average ACT score of 21.5 for Timpview students is above the state average of 19.7. Student performance is evaluated on a 4.0 unweighted grading scale. Timpview is one of the top rated schools in the state in producing National Merit Semifinalists and AP Scholars. In 2017, Timpview led the state with 14 Semifinalists. In 2019, Timpview has 9 National Merit Semifinalists and 106 AP Scholars, including 6 National AP Scholars.

Timpview has been on an 8 period block schedule since 2007-08. Timpview values a comprehensive education and offers a wide range of academic, vocational, technical, family science, and fine arts courses.

Through a continued partnership with Utah Valley University, Timpview students earn approximately 1,700 concurrent enrollment credit hours each school year. Timpview also has a thriving AP Program with 22 AP courses being taught. Timpview administered 1,026 AP Exams in 2019.

Timpview enjoys an excellent reputation in the state for academics and extra-curricular programs. We offer more than 25 student clubs. A strong athletic program offers participation in 12 competitive sports: baseball, basketball, football, golf, swimming, soccer, tennis, track, softball, lacrosse, cross country, and volleyball. The girl's tennis team and swim team both won Utah 5A championships in 2018-19. In addition, students have the opportunity to participate in superior programs such as Band, Orchestra, Choir, Drama, Dance, Debate, and Ballroom Dance.
