

# Parent Permission Form

Armed Services Vocational Aptitude Battery: Career Exploration

April 14, 2020 at 12:30 P.M. in the Library

- I give my student permission to participate in the Armed Services Vocational Aptitude Battery: Career Exploration test.
- I understand that this test is used as a multiple-aptitude test, interest inventory, and a career exploration tool.
- I understand that my student will be Extracurricular excused from class during the periods of the test.
- I understand that there will be an optional Test Interpretation during school at a later date. I understand that the interpretation will last 1.5 hours and my student will be Extracurricular excused from class during this time.
- I understand that Timpview High School has selected a reporting option that allows the test results to be released to your student only and not to the armed services. If your student is interested in joining the armed forces, your student can provide her/his scores to the military recruiter.

Student Name: \_\_\_\_\_

Grade: \_\_\_\_\_

Parent Email: \_\_\_\_\_

Parent Phone: \_\_\_\_\_

Parent Signature: \_\_\_\_\_

Please return this permission form by **Friday April 10, 2020** to the Counseling Office to reserve your spot!
