

# THS CONCURRENT ENROLLMENT SPRING 2022

## Important Concurrent Enrollment Information

UVU Spring admission and registration is now open!

**Students in a second semester Timpview Concurrent Enrollment (CE) class need to be aware that all UVU Spring semester deadlines will occur within the first nine school days of the new semester.** Students should look at their schedule and plan NOW to be prepared in class for college credit before the UVU deadlines listed below, as second semester begins January 19, 2022.

The table on the right contains the list of second semester high school classes being offered with college credit and the corresponding UVU course registration number (CRN) needed for college course registration.

Students wanting college credit need a UVID number to register. Log on to [www.uvu.edu/concurrent](http://www.uvu.edu/concurrent) to get started by following *Step 1. Admission*.

The entire admission application form must be completed in one browser session and will require payment of the UVU \$35 admit fee. Your UVID will then be emailed in 24-48 hours or can be found on [MyUVU](#) (if you currently participate in the CE program or have done so in the past this step has been done). **Tuition owed from previous registration terms must be paid before course registration in current semester is allowed.**

Students then return online to the UVU CE website for *Step 2: Registration* to register classes in the MyUVU student portal for the college course credit available in the second semester high school class.

Some college courses require prerequisites to be met with UVU before course registration is allowed. Check NOW to ensure they have been met.

## Things to Remember

- College deadlines are strict and must be adhered to for participation
  - UVU CE spring admission opens** 11 October 2021
  - UVU admission application deadline** 28 January 2022
  - UVU prerequisite deadline** 30 January 2022
  - UVU course registration deadline** 31 January 2022
  - UVU tuition due** 5 February 2022
  - UVU last day to drop a spring course (no W)** 28 February 2022
  - UVU last day to drop a spring course with a "W"** 18 March 2022
- All Students participating in Concurrent Enrollment must meet the GPA requirements:
  - Minimum cumulative GPA of 3.0 for participation in academic college courses**
  - Minimum cumulative GPA of 2.0 for career and technical college courses**
